MONTHLY LEARNING EVENT

Embrace the Challenge of Change: Inspiring & Influencing Teams When it Matters Most

One of the most valuable job skills today is knowing how to change. Some changes we can control, others we can influence, and some situations we simply can't. So we must get more agile in not only adapting to change, but also embracing it. Learn and apply key strategies to more effectively manage reactions, increase effectiveness individually and within your team, and become a more influential change agent. Discover how to inspire your teams to take accountability and manage challenges related to communication, productivity and resistance.

Tracy Butz, CSP
